

# Get involved with Thirroul Public School in 2015!

**Did you know that our Parents & Citizens Association plays a crucial role in supporting important projects around the school?**

Initiatives such as kindergarten folders, classroom readers, air conditioners for classrooms, laptops, covered outdoor learning areas and much, much more have been funded by the efforts of the Thirroul Public School Community in recent years.

You can **get involved and have your say** with the P & C!

## Find us on Facebook

Our closed Facebook Group keeps in touch on a regular basis. Find us at [facebook.com/groups/thirroulpandc](https://www.facebook.com/groups/thirroulpandc)

Not on social media? We also keep parents updated on P & C activities via an **email list**.

Simply send an email to [dannipike@gmail.com](mailto:dannipike@gmail.com)

Keen to join us in person?

The P & C meets on the **last Wednesday** of each month in the school library and we're always in need of keen, supportive parents who can offer suggestions, provide feedback and offer some of their time to ensure that our school continues to thrive. These meetings are a great opportunity to discuss ideas directly with other parents and the School Principal - Gary Graham.

The first P & C meeting for 2015 will be held at **7.00pm on Wednesday 25 February** in the school library and everyone is welcome.

We understand that people lead busy lives but in recent years, only a very small group of people have determined the way funds are being raised and spent, so if you'd like to contribute to decision-making & be part of a great community of parents, please get involved.

We look forward to welcoming many new faces in 2015!
